

Mo and the Rich man

Mo was in a bar when a rich man came up to him. The rich man looked very healthy and sun tanned. He wore an expensive black suit and a silk tie. He looked at Mo with a frown.

"How much do think I'm worth?" said the rich man.

"I don't know," said Mo.

"Come on, guess how much I'm worth."

"Okay," said Mo. "I think you're worth \$100"

The rich man laughed. "Ha, that's just the price of my suit."

"I included that in my answer," said Mo
