

# Movie Websites

How to run this lesson:	
Level:	Elementary - Intermediate
Time:	1 hour including introduction and feedback
Materials Needed:	Computers/ interactive whiteboard with very fast internet connection
Target Grammar:	none
Target Vocab:	Movie vocab, genre, sci-fi, western, horror, cartoon, action, adventure, character, set (as verb set in), scene, dialogue, plot, storyline
Target Skill:	Scanning for information, reading quickly, navigating through the internet, research
Procedure:	<ol style="list-style-type: none"><li>1. Discuss favourite films with students before using the machines or turning on the interactive whiteboard.</li><li>2. Elicit target vocab from above.</li><li>3. Students use the internet to fill in the questionnaires. If using interactive whiteboard do this by questions and answers</li><li>4. discuss answers with class.</li></ol>
Notes	There are lots of games and distractions on these website, so a mature class with strong motivational focus needed.
